Dear All,

The [Innovation & Tech Talk expert group](#) has dedicated the next episode of our [podcast series](#) to the upcoming IT GRC Congress.

Julia Hermann, Vice President and Head of Communications and Marketing, gives you a brief outlook on the congress, which will take place this year on 3 and 4 June 2024 in Hamburg. Click [here](#) for the podcast on YouTube.

Further information about the congress and the possibility to **register** can be found on the [congress website](#).

EVENTS

Innovation & Tech Talk Online Event

The [Innovation & Tech Talk expert group](#) cordially invites all members and interested parties to attend the Tech Talk **on 21 March 2024** from 11-12 a.m. for the presentation of the [Artificial Intelligence expert group](#) founded in January 2024 and its kick-off lecture on the topic "**AI Act in the Making**".

After introducing the specialist group, its goals and an outlook, the Tech Talk will focus on the latest version of the planned EU AI Act and present key elements of it. The two speakers, Eric Vogel and Nora Haberkorn, will discuss the risk classification scheme, explain what general purpose AI systems are and how the draft law has been expanded and what challenges it will bring for AI compliance and AI governance.

You will receive **1 CPE** for participating. Further **details** and the link for **registration** can be found [here](#).

First Meetup in Germany for She@ISACA

The new initiative [She@ISACA](#) of the ISACA Germany Chapters cordially invites all members and other interested parties to its first meetup **on 9 April from 5 p.m. in Munich**. After two keynote speeches in English, participants will have the opportunity to end the evening in a cosy pub.

You can find **more information** about the meetup and how to register [here](#).
