

## Subject: ISACA Germany: New podcast, events, seminars, helpful links

Dear All,

we wish you a successful start into the new year. In today's newsletter we would like to inform our many new members about the advantages of ISACA membership as well as to remind our long-time members.

You can find the **contact details** and a lot of interesting **information about our association** on the internet at [www.isaca.de](http://www.isaca.de) as well as in our regular newsletters. You are welcome to follow us on social media: we will keep you up to date via [Facebook](#), [Twitter](#) and [LinkedIn](#).

We have a wide range of [training](#) and [events](#), which our members can take advantage of free of charge or at discounted rates.

Furthermore, in addition to the international **ISACA Journal**, our members regularly receive the journal [IT Governance](#) free of charge and have unrestricted access to the online archive.

**Further benefits of membership** in the German chapter can be found [here](#). For possible further benefits, I recommend that you also take a look at the website of our [cooperation partners](#).

In addition to personal membership, your company can become an institutional partner with us and benefit from the advantages of a [sponsoring partnership](#).

**You@ISACA:** Every chapter thrives on members actively getting involved. If you would like to get involved in [volunteering](#) at ISACA Germany Chapter, we have collected some possibilities for you here:

- **Specialist Group Work:** If you are interested in working in our specialist groups, please contact the respective specialist group leader. The contact details as well as which specific topics the specialist groups deal with can be found on our [website](#).
- **Events with presentations:** Are you an expert in your field and would like to support us with a presentation at one of our events that are free of charge for members (such as Innovation & Tech Talk Online Events, OneInTech Roundtables (EN), Focus Events, BarCamps) and/or host such an event? Then please feel free to contact our [office](#).
- **Networking Events:** You would like to get to know other members of the association and have interesting technical discussions in an informal atmosphere? Then we would be very happy to support you in organizing a regional ISACA regulars' table or a meet-up.

### PODCAST

The next episode of our [PODCAST series](#) is available now:

In **episode 8**, Dr Stefan Meier, Head of the Specialist Group Young Professionals of the ISACA Germany Chapter, gives us **insights into the Specialist Group Young Professionals**. You can access the podcast [here](#).

We invite everyone to listen to it. If you have any suggestions for podcast topics, please send them to [fg-innovation@isaca.de](mailto:fg-innovation@isaca.de). Subscribe to our [YouTube-Channel](#) so you never miss a podcast again! You can also find the recordings of our Innovation & Tech Talk events on YouTube.

### EVENTS

#### Innovation & Tech Talk Online Event

The [Specialist Group Innovation & Tech Talk](#) invites you to the Tech Talk on **"Whistleblower Protection Act" on 26 January 2023 from 11 a.m. to 12 p.m.** (CEST).

In this talk, **Marina Gaugenrieser** will go into more detail about the Whistleblower Protection Act and its implementation in companies, as well as what to consider when setting up this confidential office for whistleblowers and how you can implement this in your company.

You will receive **1 CPE** for participating. Further details about the event and the **link for registration** can be found [here](#).

#### ISACA Data Protection Day Meet-Up

On the occasion of International Data Protection Day, the ISACA Germany Chapter and the [Data Protection Specialist Group](#) cordially invite all members (not only data protection specialists) to a get-together **on 26 January 2022 at 6:30 pm** in **Hamburg** and **Mannheim** (tbd restaurant, own expense, limited number of participants, first come first serve).

In order to facilitate the organisation, we kindly ask you to **register** via the [registration form](#) **by 19 January 2023**. (Participation at short notice may also be possible, please ask - if applicable - at the [office](#)).

## Regional ISACA Regulars' Table

Our next regulars' table will take place on **26 January 2023, from 6:00 p.m. to approx. 9:00 p.m. in Cologne**, on the premises of addResults GmbH (Gustav-Heinemann-Ufer 56, 50968 Cologne). After the following impulse lectures á 50 min. you will have the possibility to exchange ideas.

- **Hardware-based attacks** by Michael Neuy, Freelance Auditor
- **Audit approaches for Microsoft 365** by Stefan Jackmuth, Managing Director of addResults GmbH

You will receive **2 CPEs** for attending.

Another regulars' table will take place on **9 March 2023, from 16:30 to approx. 19:30 in Weinheim**, on the premises of suhling tooling GmbH (Hauptstraße 128, 69469 Weinheim).

For more information and to **register**, please click [here](#).

## PARTNER EVENTS

<b>IT SECURITY INSIGHTS 2023</b> IN-PERSON EVENT	<b>DATE</b> 29TH OF MARCH, 2023	<b>VENUE</b> HOTEL BIRGER JARL	<b>ADDRESS</b> BIRGER JARLSGATAN 61A, 113 56 STOCKHOLM, SWEDEN
<b>FOR MORE INFO VISIT</b>		<a href="#">InsightsItsec</a>   <a href="http://www.itsecinsights.com">www.itsecinsights.com</a>	

## IT Security Insights 2023

We are proud to be supporting the 7th Edition of [IT Security Insights Conference](#). The event brings together IT security practitioners, technology providers, start-ups and academics, working with information security, cloud services, cybersecurity, risk management, security compliance, OT Security and much more in one place to discuss current IT Security challenges faced by leading Nordic and global organisations in Sweden. With over 30 Swedish and International speakers this year's program will be featuring: keynotes, practical case studies, technical workshops, live demo sessions, round table discussion sessions and a leadership panel debate. The conference also offers plenty of knowledge sharing and networking opportunities during these sessions and in the exhibition area where you will meet top cybersecurity vendors showcasing the latest products and services.

The event is scheduled on the **29st of March, 2023** at at Hotel Birger Jarl in **Stockholm**. For more details visit the [event website](#).

**ISACA Members** are offered **discounted tickets** to attend the conference. If you are interested, please contact our [office](#).

## OUR TRAININGS

We are happy to give you an overview of our next seminar dates again. You can find further dates and our **complete range of training courses**, including detailed information, on our [seminar website](#). For a quick overview, we recommend our [seminar flyer](#).
