

Subject: ISACA Germany: IT-GRC Congress, Thesis Award, Scholarship, Community Day Survey, Events, Seminars

The banner features the ISACA Germany Chapter logo on the left and the ONE IN TECH logo (An ISACA Foundation) on the right. A large, smiling woman's face is on the right side. A red stamp in the top right corner reads "DEADLINE EXTENDED!". The main text reads "ISACA Germany Chapter Scholarship" and "One student pursuing a cyber-related master's degree in Germany will be awarded:". Below this is a bulleted list of benefits: "\$7,500 USD academic scholarship for tuition", "An opportunity to speak at ISACA Germany's TechTalk", and "An ISACA Career Building Bundle". At the bottom left, a dark blue box contains the text "Apply 5 June - ~~3 July 2023~~ 14 August 2023!".

Dear All,

The **application deadline** for our scholarship has been **extended until 14 August 2023!** If you are a cyber security master's student, please apply now for the \$7,500 scholarship! In addition, the awardee will also receive a Career Building Bundle enhancing package from ISACA including a free one-year ISACA student membership, ISACA course, mentoring and more.

More info on the scholarship as well as how to apply for the scholarship can be found here: [ISACA Germany Chapter Scholarship](#)

If you have any questions about the scholarship or the application, please contact [Julia Hermann](#).

We are looking forward to your application!

ISACA COMMUNITY DAY 2023

It is a great pleasure to inform you that our [Young Professionals](#) are planning an action on the occasion of the ISACA Community Day **on 7 October 2023**.

To make the event a success, we need volunteers. If you would like to participate, please answer our [survey](#) by **mid-August**. For more information, please see the introduction of the survey.

PODCAST

The next episode of our [PODCAST series](#) is available now:

In **episode 11**, Angelika Holl and Matthias Kraft give you a **preview of the ISACA IT-GRC Congress on 7 and 8 November 2023 in Munich**.

You can access the podcast [here](#).

We invite everyone to listen to it. If you have any suggestions for podcast topics, please send them to fg-innovation@isaca.de. **Subscribe** to our [YouTube-Channel](#) so you never miss a podcast again! You can also find the recordings of our Innovation & Tech Talk events on YouTube.

EVENT

The **programme** of the IT-GRC Congress 2023 is **online**! Come to **Munich on 7 and 8 November 2023** and refresh your knowledge of security, IT governance and risk management.

You can expect contributions from the ISACA specialist groups on future-oriented topics. In addition, the programme offers keynotes and expert contributions from industry and business, banks, IT system houses and regulatory institutions.

You will receive **12 CPEs** for attending.

For more information and to **register**, please visit the [congress website](#). Take advantage of the **early bird discount until 31 August 2023!**

Highlights from the programme

Data protection-compliant AI: A challenge for compliance?

The presentation explains which compliance requirements (data protection) exist for AI systems and shows solution approaches for implementation. The focus here is on the technological consideration of AI systems and the resulting challenges for data protection-compliant implementation.

IT-GRC-Kongress 2023

7./8. November 2023 • Hilton München City

Programm, Infos und Anmeldung unter www.grc-kongress.de

THESIS AWARD 2023

Once a year, the ISACA Germany Chapter awards a prize to the best academic thesis dealing with IT governance, information security, IT risk management or related topics. Technical aspects (e.g. IT security) are not in the focus.

Master's and bachelor's theses written in the current or previous calendar year at a German-speaking university can be submitted. Please note that the **deadline** for submissions is **31 July 2023!**

The award will be presented at the [IT-GRC Congress 2023](#) on November 7 and 8, 2023 in Munich.

Further information about the Thesis Award can be found [here](#).
