

CISA study materials in German | Events, seminars

Dear All,

We have great news for you: The CISA study materials are now also available in German (see the links below)! With this, ISACA wants to make the path to certification as a Certified Information Systems Auditor (CISA) even easier for you and ensure that you can understand and use the content in your preferred language in the best possible way.

Accordingly, the ISACA Germany Chapter will also offer the CISA exam preparation courses in German from 2025. The exact course dates will be published on our [website](#) by the end of September 2024. Check back regularly so that you can secure a place on one of the courses in good time!

EVENTS

Barcamp of the IT revision specialist group

On **September 12, 2024**, starting at 4 p.m., our [IT revision specialist group](#) is organizing a Barcamp to which you are cordially invited. The event will take place in **Frankfurt**, at the offices of Advisori FTC GmbH (Kaiserstraße 44, 60329 Frankfurt am Main).

Further details about the event, such as agenda, workshop topics and registration options can be found on the [event website](#). You will receive **4 CPEs** for your participation.

Registration deadline: September 9, 2024

PMI and ISACA cooperation round table: Compliance in project management

We are pleased to invite you to the PMI and ISACA cooperation round table on the topic of “**Compliance in project management**”. The event offers an excellent opportunity for professional and personal exchange between the members of both organizations.

The regulars' table will take place **on September 12, 2024 in Augsburg and remotely**.

You can find further information including the agenda and the option to register on the [event website](#).

Meeting of the IT compliance specialist group

The [IT Compliance specialist group](#) cordially invites all members and interested parties to its next ISACA specialist group meeting on September 13, 2024. The event will be hybrid, so you can participate either on site in Augsburg or online.

Presentations:

- AI in auditing
- How does IT compliance succeed in practice? Solution approaches and success factors
- First the business processes, then the AI

You will receive **2.5 CPEs** for your participation. You can find more details about the event and how to register on the [event website](#).

Online event of the SAP specialist group

We cordially invite all members to an online event, which will take place in cooperation with the [SAP specialist group](#) and the company [IBS Schreiber](#). The event will take place online **on September 23, 2024** and will provide information on current developments and challenges in the auditing of SAP systems.

The expert panel will discuss and gain valuable insights into auditing the SAP HANA database with CheckAud, the migration to S/4HANA and the use of artificial intelligence, in particular ChatGPT, in auditing practice.

You can find more details about the event and how to register on the [event website](#).

You will receive **3 CPEs** for your participation. **Registration deadline:** September 19, 2024

PARTNER EVENTS

Cyberwomen 2024

Secure your last tickets now! **On September 12, 2024**, experts from all over Germany, from white hats to supervisory board members and mayors, will meet at **CYBERWOMEN2024** at SPARK Europe in **Frankfurt am Main**. Exciting presentations and panels await you with lots of networking thanks to the partners and sponsors. Of course, men are also very welcome. :-)

You can find more information on the [event website](#).

CAST events im September

Next events of our cooperation partner CAST e. V.:

- [hot topic 'Cryptoagility'](#) on September 5, 2024
- [23rd International Conference of the Biometrics Special Interest Group \(BIOSIG 2024\)](#) on September 26-27, 2024
