

ISACA Germany: Update CDPSE & CRISC | IT-GRC-Congress 2025 | Annual General Meeting 2025 | She@ISACA on LinkedIn | Events, Seminars

Dear All,

We would like to inform you that the exam content for the Certified Data Privacy Solutions Engineer™ (CDPSE®) and Certified in Risk and Information Systems Control® (CRISC®) certifications will be updated this year to reflect current industry trends and emerging technologies. Keeping certifications up-to-date ensures professionals are equipped with relevant skills.

- **CDPSE® Update 2025:** The new CDPSE exam will be available on June 2, 2025. The updated preparation materials will be available on April 2, 2025.
- **CRISC® Update 2025:** The new CRISC exam will be available on November 3, 2025. The updated preparation materials will be available for purchase on September 3, 2025.

We have also taken these changes into account in our course planning - as soon as the new materials are available, we will only work with them in our exam preparation courses.
